My Account makes it easy to view and pay your bill, see your power usage, and more. You can use your new customer account number below to register for My Account today.

Customer Account Number: **701051882390**

Once your service is active, you can earn bill credits by enrolling in a demand response program of your choice. These programs reward you for reducing energy use during peak demand times when the grid is under stress. By participating, you'll not only save money, but also help keep energy reliable and affordable for your community.
